v.

UNITED STATES,

Defendant.

No. 19-1511C
Filed: October 2, 2019

O R D E R

On September 30, 2019, plaintiff Adane Kebede filed a pro se complaint in this court. Plaintiff submitted the complaint to the court without paying the requisite filing fee or submitting a completed application to proceed in forma pauperis. As a result of this failure, the above-captioned case is **DISMISSED**, without prejudice.

Separate from the failure to pay the filing fee or submit an application to proceed in forma pauperis, the court notes that, based on a preliminary review of the plaintiff's allegations of medical damages in the amount of \$10,000,000.00 and "Physical, Psychological and Emotional continuing suffering," it appears that the United States Court of Federal Claims does not have jurisdiction to review plaintiff's claims.

IT IS SO ORDERED.
